

ZIMBALI CONDOMINIUM – WORK OF ART – SOUTH AFRICA

Pictures of African art with application of **ZINGA** on the rebars of the rock structures (in concrete). It concerns a rock fountain with three birds rising from the fountain.

The fountain was placed at the main entrance of the **ZIMBALI condominium**. The condominium is the most prestigious of Africa. **ZIMBALI** is a 370 hectare (925 acre) tropical coastal residential and resort estate located on the North Coast of KwaZulu-Natal (South Africa), 25 km north of Umhlanga Rocks and bordering on the south of the popular holiday destination of Ballito.

System:

ZINGA 2 x 60 µm DFT
