

A view of the bridge approach

A closer view of the surface of the deck

A view from the opposite approach

A side view, showing the PU tar-free MIO finish

**System:**

Zinga: 80µm DFT  
Alufer N: 80µm DFT  
PU tar-free MIO: 100µm DFT

Project completed in May 2010

For further details of this and other projects in Ireland, please get in touch with the following person:

Name: Mr Liam O' Farrell  
Company: Shearwater Distribution, Dublin  
E-mail: [liamofarrell@shearwaterdistribution.ie](mailto:liamofarrell@shearwaterdistribution.ie)  
Telephone: (00353) 14 - 737 - 035

Total DFT: 260µm DFT
