Phoenix Power Co. tanks & vessels - Qalhat, Sur, Oman

In 2024 the **ZINGA** Distributor of Oman, **MTPS – Modern Technical Products & Services LLC**, a subsidiary of the **AL HAHIJRY Group of Companies**, received the order from **PHOENIX OPERATION & MAINTENANCE Co.** for refurbishing and repairing 2 Demin water tanks, 3 Multimedia filter vessels and 3 Polishing filter vessels with a full **ZINGA** coating system on approx. 1,678 m².

These tanks and vessels are located at the **Sur Independent Power Plant** in Qalhat, Sur, next to the Gulf of Oman. The subcontractor / coating applicator was **Al Duqum Al Masiya**. The works started half June 2024 and were successfully delivered on **14 December 2024**.

Left & Down :
Some patch repairs
on the bigger tanks
